16th August P & C Meeting at Glen Innes RSL

Term 3 Week 3

Principal's Report

Last week we celebrated Education Week. James Williamson and Jesse Dowling accompanied me to Glen Innes Public School to represent Red Range School in this celebration of education excellence in the Glen Innes Celtic Country Community of Schools. James and Jesse were excellent ambassadors for the school and presented themselves with pride.

Education Week Awards

Congratulations to Mrs Julie Lockyer for Outstanding contribution to a school by a community member and Mrs Robyn Parnell for Outstanding contribution to a school by a member of the school community.

Mini-Olympics

Thank you to Glen Innes West Infants for hosting the Mini-Olympics day last week. The students had a lot of fun and were able to meet up with their friends from other schools.

Athletics Carnival

Last Tuesday three of our students represented Red Range School at the District Athletics Carnival which was held in Glen Innes. Jesse Dowling, Dom Holt and Jaimie Loeb competed against the best athletes in the region. They all went extremely well and tried their best in all their events. A special congratulations goes to Jaimie who came second in his 100 m age race. Jaimie will now travel to Tamworth and compete in the Area Athletics Carnival on the 31st August.

P & C News

P&C meeting is to be held Thursday 16th at 4:15 at the Glen Innes RSL.

Pam Murphy Principal.

PLAYGROUP

Playgroup is once again up and running. We have been notified by Rochelle Maybon that as of the 13th August, there will be weekly playgroups.

We look forward to seeing lots of parents and children attend and encourage any new families to come along to join in the fun. All 3 and 4 year old children are invited to come into our classroom for story time between 10.45am and approximately 11.00am. After lunch (approximately 11.15am) all children and parents can join us in our playground for combined playtime.
