

Student Awards

Principal's Report

Welcome to the week 6 newsletter for this term. The remainder of this term will be a very busy and exciting time at Red Range Public School.

The last two weeks have been filled with several learning experiences and engaging activities for our students. On Monday the 12th of November we had a visit from Senior Constable Fiona McCormack to discuss safety with the students. She educated the students on their responsibilities when travelling on the school bus as well as the expectations of being upstanding school and community citizens.

Over the past two weeks the students and staff at Red Range Public School have also been working hard to create an entry for the Red Cross Christmas Tree competition. The tree will be on display in the town hall from the 24th of November until the 2nd of December.

Next week I have the privilege of attending the Rotary Youth Citizenship awards with Tanika, Sky and their families. All students who submitted applications for this award should be very proud of themselves. It was a very hard decision for the staff to select the two winners.

Over the next two weeks, students that will be in year 5 and year 6 in 2019 are invited to nominate themselves as school captains. The students who wish to apply should complete a nomination form and prepare a short speech to present to their peers. The successful captains will be announced at our Presentation Day on Thursday 6th of December.

On Monday the 3rd of December we will be inviting our year 6 students to join the staff for our annual year 6 graduation dinner. The staff look forward to celebrating with the year 6 students before they complete their schooling at Red Range Public School.

All prizes for the Colour Fun Run have been ordered and we look forward to handing these prizes out when they arrive.
