What a busy week we have had at Red Range Public School! Our students have all demonstrated the RRPS learner qualities this week as we performed the whole school play for audiences. Each child ensured that they were self-motived and brave learners this week by ensuring they were ready and equipped for the play and many students demonstrated how brave they are by stepping out of their comfort zone to perform their roles in the production. A special thanks to Miss Pettit for organising the play.

This week we also had a special visit from Minister for Education and Early Childhood Learning, Sarah Mitchell and Adam Marshall Minister for Agriculture. The visit enabled the pair to talk with the Wytaliba staff and students about the plans for their new school. Our school was commended for assisting the staff and students from WPS.

Last night I was very pleased to see so many of our students attending the Christmas Event in the Glen Innes Town Square. The students performed five songs for the crowd and sang beautifully.

The next two weeks are shaping up to be very busy. We will have captains speeches, presentation day, year 6 farewell dinner, swim school, swimming carnival and a trip to the movies. Please keep an eye out for any notes or Facebook posts with information about events.

#### **WE WANT YOU!**

As the year draws to an end, remember that we will not only lose our beloved Year 6 students to High School, but also some AWESOME parents too. Parents who have taken an active role on our P&C committee.

We have been fortunate enough to have some really wonderful P & C Members over the years.

Without their tireless efforts we would not be able to provide the students with a canteen that runs upwards of 3 days per week; fundraising days like the recent Colour Run, or excursions to town such as to watch the Dance Spectacular performances.

It doesn't matter if you have lots of time to give or not much – there's a job to suit everyone.

If you can help out in our canteen, your help would be very much appreciated. Please contact the school on 6734 2257 to pop your name down.

Without an active P&C committee, our kids miss out on so much!
