

RED RANGE PUBLIC SCHOOL

Newsletter Term 4 Week 1 2020

Principal News Ms. Nicole Hutton

A big welcome back to our Red Range Public students for term 4. I hope that all of our families had a wonderful holiday break.

At the moment COVID-19 restrictions are still in place and parents are required to phone the school or only approach the office. I look forward to the day that we can invite families back into our school for events and special celebrations.

Term 4 is shaping up to be a very busy term. As some of the COVID-19 restrictions are gradually being lifted throughout NSW Department of Education schools, we are hopeful that some end of year activities will be able to take place. We will keep our families up to date with information as it comes to hand.

Our Kindergarten Transition program will begin in week 3. Our office staff have been busy contacting families to finalise plans. To ensure your child can participate in the transition program we require a completed enrolment form before students can attend. If the students need to catch the school bus they can contact our bus company on 67322580.

Canteen News!

We are looking for a canteen volunteer to run the canteen on Tuesdays. If you can help please contact Jo Bruce on 0425 265 512.

P&C Meeting

Monday 19th October
4pm
GHS Library

Attendance Tip

Going to school every day is the single most important part of your child's education.

Students learn new things at school every day. Attending and participating in school will help your child develop: important skills and knowledge to help them learn. They also learn social and emotional skills such as good communication, resilience and team work.

HEADLICE

Please note that we have been advised of at least one case of *Pediculus humanus capitis* (head lice) in our school. In order to stop the spread of this, we ask that you check your child's hair and treat as necessary.

Jake – 19th October
Milan – 24th October
Joshua – 26th October
Ryan B – 27th October

NSW Department of Education

Why attendance matters

When your child misses school they miss important opportunities to:

Learn

Make friends

Build skills through fun

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight = 4 weeks = Over 1 year missed

1 day per week = 8 weeks = Over 2.5 years missed
