

RED RANGE PUBLIC SCHOOL

Newsletter Term 4, Week 9

Principal News Ms Nicole Hutton

Welcome to the last official newsletter for 2021!

Yesterday we held our annual Presentation Day. Congratulations to all of the students on their efforts and achievements in 2021. This year has been another difficult year with the ever-changing restrictions due to Covid but our students, staff and families have all done an amazing job adapting to the differing circumstances.

Next week our students will be participating in swimming sessions for the week. The bus will be leaving the school at **9am sharp** each morning. Please ensure that all children are at school by at least 8:50am so that rolls are marked, and students are ready to catch the bus. In the event of wet weather, a decision will be made by the school and posted on our Facebook page if swimming is cancelled for that day.

Thank you to Mrs Vimpany for doing an excellent job as the relieving principal in my absence. It was reassuring to know that the day to day operations of the school were in good hands.

The end of year student reports will be sent home next week. If you would like to discuss your child's report with their classroom teacher, please contact the school to organize a mutually convenient time for this to take place.

Our students have been working hard to finish our entry for the Red Cross Christmas Tree competition. I encourage all of our school community to visit the display and admire the hard work that the students have put into our entry.

Thank you to those parents that have utilised the text message service to provide explanations to the school regarding student absences. This program will continue next year.

Congratulations to the Short family who are the winners of this term \$50 Woolworths Voucher for attendance.

The first day back at school for students in 2022 is
Tuesday 1st February.
Enjoy the Christmas/New Year break
