AWARD RECIPIENTS FROM LATE LAST TERM – WELL DONE TO ALL OUR STUDENTS!

Principal News Ms Nicole Hutton

Welcome back to the last term for 2022. This term is shaping up to be a very busy term.

Our Kindergarten students for 2023 are settling in well to our school. These students will now be joining us for two days this term as part of their transition program.

On the 27th of October we will be holding our annual Grandparents Day and Colour Fun Run. We look forward to sharing afternoon tea with our Grandparents and special people on this day. Please find the details below:

Date: Thursday 27th October

Time: 1pm

Activities: Afternoon tea followed by Colour Fun Run. In the event of wet weather or wet grounds we will postpone the Colour Run and complete some fun activities with our Grandparents during the afternoon.

School photos are being held on Thursday 10th November. Students will be required to wear full school uniform (new red shirt) and be at school with big smiles ready for photos to begin at 9am.

A reminder that this year is the final phase in year for the new school shirts. As of next year the old shirts will not be considered uniform and the new shirts will be the only shirts worn to school.

Don't forget that our P&C are running a fantastic raffle where one person will win a brand new THERMOMIX! To purchase your tickets, scan the QR code on the poster in this newsletter or contact the school and we can help you make your purchase.

Our Stage 3 puberty day excursion to Tenterfield has been rescheduled for later this term. Please ensure that your child's note is signed and returned to school as soon as possible.

Have a great weekend!

Attendance Tip

Why is the attendance rate important?

The attendance rate is important because students are more likely to succeed in academics when they attend school consistently. It's difficult for the teacher and the class to build their skills and progress if a large number of students are frequently absent.

Staff Development Day Notice

Dear parents and carers,

As we near the end of the year, I want to thank you for your ongoing support and notify you of a date change for the last day of Term 4 classes.

Students will now finish school on Friday 16 December 2022.

This is due to an additional School Development Day announced for staff across NSW public schools.

School Development Days allow our staff to participate in professional learning that was put on hold due to COVID-19 staffing pressures and plan ahead for 2023 to ensure we meet the needs of our students.

With this change, we ask that you arrange alternative care for your child on Monday 19 December.

While there will be no classes on Monday 19 December, if you cannot arrange alternative care for your child, we will provide minimal supervision at school.

If you have any questions or concerns, please contact me on 67342257.

Kind regards

Nicole Hutton
