Newsletter Term 4, Week 5

FUN IN THE SUN

Principal News

Ms Nicole Hutton

Welcome to this weeks newsletter. We've had a very busy fortnight and it doesn't look like its going to slow down any time soon which is fantastic.

Congratulations to the students who received awards at this weeks assembly. It is great to see so many students achieving outstanding results.

Today we held a minute silence for Remembrance Day. We also conducted some Remembrance Day activities during class time.

Next week we have the UNE Science Bus visiting us for the morning. We are looking forward to the exciting activities that the students will be able to participate in.

Good luck to all our students performing tonight at the Festival of Arts. I'm sure the students will do an amazing job. Our P&C will be there selling raffle tickets in the Thermomix Raffle. Be sure to get your tickets ready for the draw on Presentation Day.

Later this term we will be holding swim school. Notes will go home next week. Please ensure you read these carefully and sign in all required sections.

Just a gentle reminder that parents wanting to talk to teachers must contact the school during school hours only. Teachers should not be contacted or approached in public places or online to discuss school related issues. They too have families and other commitments but are always willing to discuss any concerns you have with schooling, within school hours.

We have also sent home another lot of RATs for each student. Please feel free to contact the school if you require further tests. As always if your child is sick please keep them home until they feel better and contact the school via text, phone, email or note to explain the absence to the school.

Have a great weekend!
