SUPER STAR AWARDEES

Principal News Ms Nicole Hutton

Welcome to the end of week 6!

I would like to commend all students on their excellent behaviour this term. All students are working hard to be Brave, Gritty, Self-Motivated and Mindful Learners. Students have been participating in refresher lessons about our school learner qualities and developing their learning pits this term.

A reminder to year 6 parents about payment of the Year 6 shirts. Full payment is required before the shirt will be distributed. These should arrive before the end of term. Thanks for your cooperation.

We have had an increasing number of students who are indicating to staff that they are tired and finding it hard to concentrate in class. Attached to this newsletter are some handy tips for sleep.

Our school has access to a school counsellor on a referral basis. If you would like your child to have access to this service, please contact the school to organise a referral form.

The Life Education Van will be visiting our school soon. Notes will be sent out for this event today.

NAPLAN will commence in week 8. Students in year 3 & 5 have all received information about the assessment. If you have any questions please feel free to contact the school on 6742257.

Have a great weekend!

P&C NEWS

The P&C are now accepting donations of Easter Eggs for the annual Easter Raffle. Donations can be delivered to the school office. Thank you in advance for assisting the P&C in their fundraising efforts.

Attendance Tip

Why is attendance so important?

Regular attendance **fosters a classroom community between teachers and children**. Students who attend school are more likely to succeed academically. Students gain background knowledge from discussions while learning in school. Attending school also provides time for social interactions with peers.
