Principal News Ms Nicole Hutton

Welcome to the last newsletter for the term.

We have a very exciting week next week full of activities to celebrate NAIDOC Week. On Monday we will be attending an excursion to Gawura Gallery to complete some activities with Lloyd Gawura Hornsby. All students will participate in a Boomerang painting workshop. Please ensure permission notes have been returned Monday or your child will not be able to attend and will remain at school.

Our new school jackets have arrived and are ready for purchase from the office. These will be \$40 and parents can use the School Vouchers before they expire at the end of the month.

Semester one reports will go home to all families today. I would like to encourage you to take the time to sit with your child and go through their report with them. The teachers have spent a large amount of time assessing students to provide you with the most relevant and up to date information about your child's learning. Thank you to the teachers who have spent a huge amount of their own time outside of school hours writing these reports.

Parent teacher meetings will be held next week. Meeting times are set at 15-minute blocks and we have had a very positive response of parents requesting interviews. Please ensure that you arrive a few minutes before your allocated time as interviews are booked back to back with no extra time available. We look forward to sharing and discussing your child's progress with you.

Our Kindergarten transition program will continue next term and we are looking forward to welcoming more of our 2024 Kindergarten students back into the classroom in term 3! If you would like more information about our Transition program, please ring the school on 02 67342257 to arrange for an enrolment pack.

Be advised Friday next week is our last day of term and we will be celebrating this by wearing our PJ's!

Have a great weekend and a safe and relaxing holiday!

Attendance Tip

Create attendance goals with your child and track their progress in a notebook or calendar.

Also, you can try giving them small rewards for not missing school, such as a later bedtime on Saturday and Sunday.
