TERM 4 WEEK 1 2023

STAGE 3 CAMP

PRINCIPAL NEWS

MRS. NICOLE STEPHENS

Welcome back to term 4! We have a very busy term ahead. We will include the term 4 calendar in each newsletter and any events will be added to this. Please also keep an eye on our Facebook page and for any notes sent home about events and the wonderful things happening at school.

Our Kindergarten students for 2024 are settling in well to our school. These students will now be joining us for two days this term as part of their transition program. The final day for Kindergarten Transition will be Friday 1st December.

On the 27th of October we will be holding our annual Grandparents Day and Colour Explosion Fun Run. We look forward to sharing some time with our Grandparents and special people on this day. Please find the details below. More details will be sent home next week!

Years 5 and 6 have been given the opportunity to attend a "Far Out Science" day at the University of New England in Armidale on 30th October. Notes will be sent home next week. Notes and money need to be returned by 25th October.

A reminder to all students that the weather is warming up and hats are to be worn at all times at playtime so please ensure hats are clearly labelled and are brought to school every day. Hats can be purchased from the school office for \$10.

Have a great weekend!

ATTENDANCE TIP

The attendance rate is important because students are more likely to succeed in academics when they attend school consistently. It's difficult for the teacher and the class to build their skills and progress if a large number of students are frequently absent. If your child needs to be absent, please ensure you let the school know as soon as possible to avoid having the absence deemed unexplained. You can do so by replying to absence notification from the school mobile, calling the school, sending an email or a note in to the office :)
