## PRINCIPAL NEWS

MRS. NICOLE STEPHENS

Welcome to this weeks newsletter. We've had a very busy fortnight and it doesn't look like it's going to slow down any time soon which is fantastic.

Over the past two weeks our students have had the opportunity to participate in Science Days, Halloween Dress Up, Puberty Day and Glen Innes High School Transition.

Congratulations to the students who received awards at this weeks assembly. It is great to see so many students achieving outstanding results.

Today we held a minute silence for Remembrance Day. We also conducted some Remembrance Day activities during class time.

Next week we have the UNE Science Bus visiting us for the morning. We are looking forward to the exciting activities that the students will be able to participate in.

Later this term we will be holding swim school. Notes will go home soon. Please ensure you read these carefully and sign in all required sections.

Just a gentle reminder that parents wanting to talk to teachers must contact the school during school hours only. Teachers should not be contacted or approached in public places or online to discuss school related issues. They too have families and other commitments but are always willing to discuss any concerns you have with schooling, within school hours.

Have a great weekend!
