TERM 4 WEEK 7 2023

UNE Science Discovery Bus Visit

PRINCIPAL NEWS

MRS. NICOLE STEPHENS

Last week saw the students participate in the UNE Discovery Science Day. The students really enjoyed the Chemistry and Museum sessions and had some great questions to ask. We are looking forward to having the UNE Discovery bus visit again next year.

We will be undertaking our Intensive Swimming Program later this term. We will also be visiting a couple of different places during the swimming week. Thank you to those people that have already returned their notes.

Transition is going well; our 2024 Kindergarten children are settling in well and we are really looking forward to them joining us next year. Their last day of transition will be Friday 1st December. Our Year 6 students have had a couple of visits to Emmaville and GIHS transition is underway. The students are looking forward to next year.

Presentation Day will be held on Tuesday 5th December. Please see the invitation in this newsletter for more information.

Our Dance Group will be performing in this years Dance Spectacular. Please ensure that notes are returned as soon as possible to ensure you child's participation.

The Red Cross Christmas Tree display will be taking place at the Glen Innes Town Hall from Friday 1st December until Saturday 9th December. RRPS will be entering a tree so go on down have a look at the amazing trees and give our tree a vote!

Our last Meal Deal Day for the year will be on Friday 1st December.

Have a great week!

P&C NEWS

The P&C would like to thank everyone for their support throughout 2023. Without the support of our families and community we would not be able to provide our students with such rich and valuable learning experiences and events. Every raffle ticket sold, meal deal ordered and dollar raised is used to support our children. Thank you for your support and we look forward to an amazing 2024!!!
