

# RED RANGE PUBLIC SCHOOL NEWSLETTER

TERM 1 WEEK 9 2024

## MUD RUN MADNESS

## PRINCIPAL NEWS

MRS. NICOLE STEPHENS

Welcome to this weeks newsletter!

I would like to start by thanking our school community for joining us today for our end of term assembly and Easter Hat Parade. The students were all so proud of the hats they had made. Thank you for supporting your children and our school.

Congratulations to the 11 students that attended the Stage 3 camp earlier this week. It was an absolute pleasure to accompany the children on this camp. Every single student is to be commended on their excellent behaviour and demonstrating an outstanding level of commitment to the Red Range Public School learner qualities (Brave, Gritty, Mindful and Self-Motivated).

Thank you to the staff that volunteered to accompany the students on this camp. Without them taking time away from their own families and lives outside school overnight events like this would not be possible.

With the weather turning cooler please ensure that your child's jumpers and jackets are clearly labelled. This assists us with returning lost items of clothing.

Next Thursday we have the Life Ed van visiting and Friday the Cross Country will be held. Please ensure these permission notes have been returned beforehand!

Thursday the 11th of April we will be attending an excursion to Glen Innes West Infants School for the Small School ANZAC Day event. Notes for this event will be sent home next week. Please ensure these are returned before the event.

Have a great Easter weekend!

## ATTENDANCE TIP

- helping your child learn the importance of punctuality and routine
- making sure your child arrives on time from the start of the school day, ready to take part
- reducing disruption to learning where you can, by planning any necessary appointments outside of school time
- contacting your school to explain any absences (within 7 days of the first day of any absence)
- making sure any holidays or medical appointments are taken outside school hours
- working with the school to encourage and support regular attendance.

## P&C NEWS

Dear Parents and Carers,

As a parent or carer, you are an important part of our school community. We know that you play a crucial role in helping your child become a motivated learner. Communication between our school and our community is critical for us to partner together.

To give our teachers the opportunity to recharge, spend time with their families and bring their best creative selves to work, we are setting clear expectations for when and how they respond to communication outside school operating hours. This means teachers may not reply to non-emergency messages or emails outside of school operating hours.

Please use the school's email address for non-emergencies in the first instance or phone the school on 67342257. Our staff will respond to your queries within 2 school days under normal circumstances.

For longer discussions or complex matters, we ask parents and carers to make an appointment to speak to teachers directly, at a time that works best for everyone.

For emergencies, please contact 67342257. Emergencies include serious student health, safety and wellbeing issues.

Our staff will always stay in touch because open communication is what's best for your child and their education. We don't want you to stop communicating with your teachers – we still want to hear from you if you have any questions or need to discuss a matter about your child. We know it's often easier to send emails or messages after work. We will make sure we read and respond in school operating hours.

Our dedicated teachers want to help our students achieve their best – we're on the same team.

Thank you for treating our staff with kindness and respect.

Kind regards

Mrs Nicole Stephens
