PRINCIPAL NEWS

MRS. NICOLE STEPHENS

Welcome back to term 2! I hope that all of our families had a relaxing and safe holiday.

This term we have many events booked in. We have included the term calendar in this newsletter with the tentative dates of certain events. Please be aware that whilst all care is taken to ensure we do not make too many changes to the calendar that there are sometimes instances where date changes are unavoidable.

Thank you to the students and staff who participated in the ANZAC Day march. It was great that so many of our students participated in this event and demonstrated such high levels of pride and respect.

The tickets for the P&C Mothers Day Raffle have been sent home to families. This is another wonderful way that our P&C raises money to support our students. The raffle will be drawn this Friday at around 2pm, so make sure you've got your tickets in the draw! This year all students will be making some craft items during class time to give to their Mothers as gifts. We look forward to seeing what the classes produce.

With the colder weather upon us please remember to label all your children's clothing. This makes it easier for the school to return lost items to students. We also sell all jumpers, jackets, hats and shirts at the school. Please contact the office on 67342257 if you need to purchase any new school items.

Congratulations to all of our students who performed at the Celtic Festival opening ceremony last week. It was wonderful to hear some amazing feedback on the combined schools choirs performance.

Congratulations to all students from Red Range PS, Deepwater PS, Wyaliba PS and Glen Innes West IS on a fantastic effort at our Small Schools Cross Country last week. It was wonderful to see all students participating in all activities and having a great day!

Have a great week!
