

# RED RANGE PUBLIC SCHOOL NEWSLETTER

TERM 4 WEEK 2 2024

## COLOUR FUN RUN!

## PRINCIPAL NEWS

MRS. NIKKI STEPHENS

Welcome back to term 4! We have a very busy term ahead. We will include the term 4 calendar in each newsletter and any events will be added to this. Please also keep an eye on our Facebook page, Compass App and for any notes sent home about events and the wonderful things happening at school.

Our Kindergarten students for 2025 are settling in well to our school. If you know anyone that would like to join our Kindergarten transition program please encourage them to contact our office. The final day for Kindergarten Transition will be Friday 15th November.

Today we held our annual Grandparents Day and Colour Explosion Fun Run. We had a great time with our Grandparents and special people. So far the students have raised over \$6300 for this event.

Yesterday students participated in Day for Daniel activities. Students learnt about keeping themselves safe.

A reminder to all students that the weather is warming up and hats are to be worn at all times at playtime so please ensure hats are clearly labelled and are brought to school every day. Hats can be purchased from the school office for \$10.

All the best to the students that are performing as part of the Small Schools Choir at the Anglican Church Fete tomorrow. I look forward to watching the performance.

Have a great weekend!

## ATTENDANCE TIP

The attendance rate is important because students are more likely to succeed in academics when they attend school consistently. It's difficult for the teacher and the class to build their skills and progress if a large number of students are frequently absent.
